

**SAFETY COMES FIRST**  
Arrive Safe • Work Safe • Go Home Safe

After successful 15 years in business, **Farnas** has grown in the safety equipment and work wear market as a smart and competitive firm that captures a significant share of business opportunities here in the United Arab Emirates.

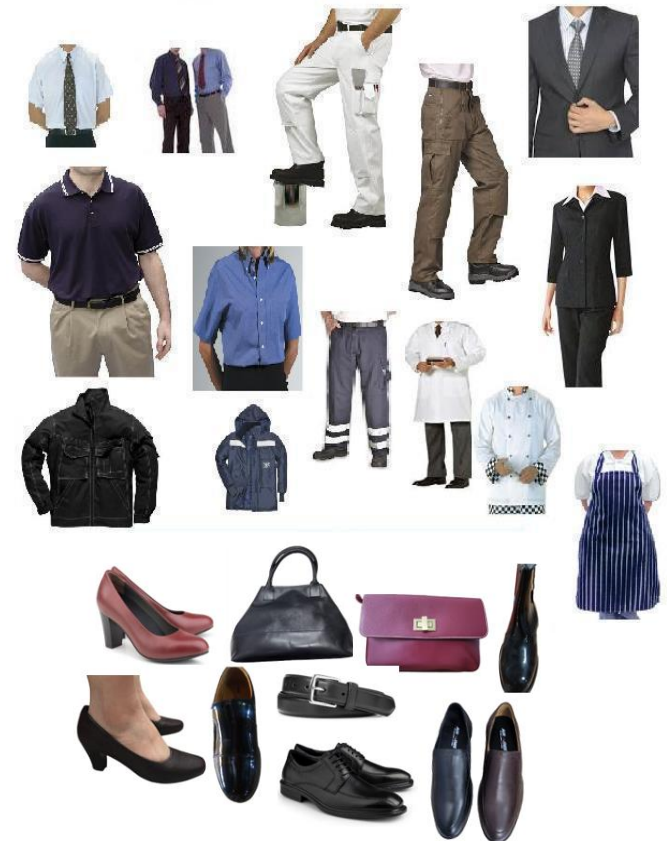

The outsourced quality product includes safety eyewear, helmets, gloves for various levels of protection, respiratory protection equipment, high visibility clothing, safety signs, first aid equipment and medical furniture, back support belts, safety deluge showers and eye/face wash products; gravity fed eyewash stations, pollution control/spill kits, and many other safety products such as disposables for industrial, hospitals and catering that fall under personal protective equipment.

*Please refer to the next page to see our list of products...*

**FARNAS** produce range of clothing to suit all levels of personnel. We can follow the customized styles of the customer, as well as develop new styles for them. We take up made to measure projects and also follow the international standard sizing range. We are able to adjust fittings or make up special sizes. We embroider, screen and heat transfer print of logo, ID Nos. or individual name to a garment by direct embroidery / print or on a badge , which are durable.

The Fabric quality and manufacturing standards are closely monitored to make sure that our garments offer excellent value for money and are fit for purpose.

**CORPORATE & INDUSTRIAL WORKWEAR**
